SUMMARY

I am a dedicated professional with a degree in Information Technology from Liberty University and a strong foundation in problem-solving and critical thinking. My international experience has enhanced my adaptability and attention to detail. I am intrinsically motivated and inquisitive, seeking to improve processes and outcomes. With strong documentation and conflict resolution skills I ensure effective team dynamics. I have also held leadership roles as a Community Group Leader and a Resident Shepherd at Liberty University.

SKILLS

- Code: JavaScript, PHP, Python, R, SQLi
- Tools: Data Cleaning/Merging, Data Visualization, Excel, Flask, HTML, CSS, Markdown, Oracle, Spreadsheets, Tableau, UX design

EXPERIENCE

Data Analyst Intern | Samaritan's Purse   **May 2022 — Aug 2022**
